

The Code of True Blue Valor™

To maintain a code of honor and integrity to protect and to serve my community and to protect and support my peers.

True Blue Valor™ means having the courage to do what is right and to do the right things.

To Armor my “Self” physically, mentally, emotionally and spiritually so that I am better able to protect and to serve.

To Armor my Agency so that it is best able to protect and serve its people and its community.

To have the courage to walk my talk and look after my peers. If I say “We are all one family” and “I’ve got your back” then I will mean it.

As a matter of honor I pledge that on my watch, “No one gets left behind!”.
